CONVOCATION

Graduate & Undergraduate

June 2024

CONGRATULATIONS

Congratulations to the Graduating Classes of 2024

While convocation is the formal ceremony for the conferral of degrees, diplomas, and certificates that is steeped in hundreds of years of academic traditions, it's also a time for celebration and, as you know, we do things a bit differently at Trent.

At Trent University, convocation is a lot of fun. Paired with the ornate regalia, you might notice some funky footwear. In keeping with the Trent Experience, our convocation ceremonies are authentic, intimate, and personalized. While the Chancellor presides over the official proceedings with formal academic language, cheering for the grads as they cross the stage is also encouraged.

The heart of convocation, however, is the celebration of every student's hard-earned academic accomplishment. We're here to mark this significant milestone in your journey as you prepare for the next stage of your life and career.

Together with your friends and family, we join with the entire Trent University community in congratulating you on your remarkable success.

As you embark on your future, we wish you the best in pursuing new goals and reaching even greater milestones. Remember to stay in touch!

HONORARY DEGREE RECIPIENT

The most prestigious award conferred by Trent University is the honorary degree. It is granted to those individuals who have made extraordinary academic or social contributions to Canada or internationally, particularly in fields of relevance to Trent University or the wider regional community. *Doctor of Laws (LL.D.)* recognizes contributions in scholarly or professional achievement, or public or community service.

Cheryl Perera

Honorary Doctorate of Laws

Friday, June 14, 2024 at 2:00 p.m. at Tribute Communities Centre in Durham

Cheryl Perera is a renowned international children's rights activist, celebrated for her groundbreaking advocacy that has protected and empowered more than 100,000 of the world's most vulnerable children. Her work began at age 16, without funding or resources. Today, she is frequently summoned to the United Nations for her expertise as founder and president of OneChild – a trailblazing organization that empowers children across the world to protect themselves from sexual exploitation.

Appointed to the Order of Ontario in 2018, Perera is a highly sought-after public speaker who has received more than 30 international and national prizes. Perera's remarkable achievements have been recognized by organizations such as UNICEF and World Vision International.

Now that you've graduated, it's not goodbye but 'see you soon!'

We'll be keeping in touch by sending Alumni newsletters and magazines, informing you of cool perks and benefits, inviting you to special events, and sharing your stories on our Alumni website and social media.

You have a lot to gain and a lot to give to your alumni association. Stay connected and meet experienced alumni who are keen to offer mentorship and networking opportunities. And soon, the Alumni team will be looking for you to share your Life After Trent professional experience with students and recent grads.

When you have news (maybe you are tackling climate-change research, have won an award, or are returning to campus to get married!), you can always let us know by emailing alumni@trentu.ca and we can share your story with your Alumni Family, now 66,000 strong.

In the years to come, there will be many ways to stay in touch. But wherever life takes you, please know that you'll always have a home at Trent.
